---

In 1972, the Claysburg-Kimmel Junior-Senior High School installed what became an icon in bleachers for our small, but mighty, Bulldog Stadium. The bleachers and stadium hosted many games and hold many memories for those that have purchased their reserved seating, run the bleachers, and even slid down the hill once or twice. Nearly 50 years later, Claysburg-Kimmel's athletic fields are ready for a change, and we need your support!

The Claysburg-Kimmel Board of Directors, Administration, and Athletic Department are embarking on an exciting journey to improve the outdoor athletic facilities and give Bulldog Nation the much overdue and needed improvements our outstanding students deserve. Ground broke in September. You can watch the progress at <https://www.twitch.tv/CKSDBulldogs>.

Here is where you come in! Whether you are a business, individual, alumnus, or friend of the district, we have an opportunity for you to help make the dreams of the community and students a reality. We have many options of giving that can fit any budget and give you the opportunity to make *your* mark on Claysburg-Kimmel.
